COMMITTEE REPORTS:

BUILDING COMMITTEE

Vinny Ruiz reported we need to clean grounds.

Kitchen stoves are under repair.

Repair of a portion of roof has been completed , costing \$8,000.

Peter Perkins is reviewing possibility of building a permanent pavilion over the outside concrete platform. Some ideas about its structure were discussed. It has been reviewed with Town of Guilford.

RENTALS

Vinny Ruiz reviewed a rental payment dispute that took place with a customer. He recommended using receipt paperwork. Don Bonato reported we currently have a receipt book which has been used in some transactions.

Ron Candelora reviewed a list of questions in order to clarify procedures for rental of hall.

He presented an order form which he designed to itemize details of materials to be provided during rentals.

Motion carried to approve the form.

Ron has found some doors not completely locked. Vinny will check door locks to see they work correctly.

BINGO

Carl Berquist reported good results and ongoing dedication of some Knights to help every week.

Mike Tufano reported costs of foods and serving supplies continue to rise, but enough dinners are being sold now to cover current costs. It will continue to be reviewed.

CARNIVAL

Food menu was discussed. Mike Tufano recommended very few menu changes. Overall carnival sales are likely to be less than last year, which was increased due to less impact of COVID. Overall higher costs to attend will impact it too. Including a Cannoli truck was discussed. Agreed its potential profits would not justify including it.
