COMMITTEE REPORTS

BUILDING COMMITTEE

It was reported that renovating front of the building did not require permit or inspection.

George Asmus received estimates for ceiling replacement. A company has been selected to remove and replace the main room's ceiling for \$8,000. He will review schedule with Ron Candelora and finance with Don Bonato. After ceiling replacement, the same room will be painted.

BINGO COMMITTEE

Vinny Ruiz reported that a new series of bingo cards does not agree completely with the bingo machine.

Carl Bergquist is working to resolve the issue. These cards are now being used. Winning numbers for some games must be read back to caller, which is working smoothly.

HALL RENTAL

Ron Candelora said August weekends are fully rented.

NEW BUSINESS

Vinny Ruiz said the current Columbus Club Slate of Officers will continue through 2022.

Mike Lorello will be an alternate Officer during that time.

MEETING ADJOURNED
